

Join the CLARITY Celebratory Learning Fair

Thursday 21st August, 7:30 - 9:30 am AEST

No Cost to Register

The CLARITY Learning Suite team invite you to join the
Celebratory 2025 Learning Fair online on
Thursday 21st August, 7:30 - 9:30am AEST

The online Professional Learning within CLARITY Learning Suite and the CLARITY Essentials Suite is based on Lyn Sharratt's text "CLARITY - What Matters MOST in Learning, Teaching and Leading" (Corwin Press).

The focus is on building teacher and leader capacity to increase student achievement and growth in an ongoing, sustainable way that touches system and school leaders and teachers across the globe.

Whether you are currently working through the CLARITY Learning Suite or wondering if it's the Professional Learning for you, your school team, or your system, come, listen, watch, and hear from others who have adopted the CLS in their schools. Learn how it has improved their practice as individuals and school teams. Be part of the developing CLS dialogue.

- Join us for this celebration of reflections and learning being shared
- Hear from researchers about the positive leader, teacher and student outcomes of the CLARITY work
- Hear from system leaders how CLARITY aligns with Explicit Teaching models
- We encourage each school attending or individual registrants to "Adopt-a-School" and invite others
- There is **NO COST to register** and attend the Learning Fair
- CLS Members will receive access to the Learning Fair material for the duration of their CLS Membership
- Non-members will receive access to the material until 2 October, 2025
